COMPANY PROFILE

公司简介

欢迎了解东莞市世锦服饰有限公司，公司位于中国服装产业核心区，以全球视野服务国际市场，是一家集生产、研发、服务于一体的专业制造基地，更是全球客户值得信赖的供应链战略伙伴。

Welcome to DONGGUAN APEX FLOW FASHION LIMITED
Located in the core area of China's apparel industry, our company serves the international market with a global perspective. As a professional manufacturing base integrating production, research and development, and service, we are also a trusted supply chain strategic partner for customers worldwide.

公司总部与生产基地位于“中国服装名镇”东莞虎门，坐拥珠三角成熟服装产业集群，毗邻广州、深圳，交通便捷，可快速通达国际港口与机场。依托得天独厚的区位优势，我们能高效整合周边 50 公里内优质面料、辅料及设计资源，实现从原料到成品的高效协同，为全球客户提供稳定、快速的响应支持。

公司成立于 2018 年，现已发展为综合性制造企业，主营各类服装、可提供一站式辅料与包装解决方案。我们拥有完整的开发、打样、生产、品控体系，既能凭借现代化设备实现规模化生产，年产值超 3000 万美元，也可灵活承接小批量、多批次快反订单，精准适配国际时尚趋势。

我们坚持以品质为核心，建立全流程质检体系，从原料入厂到成品出库严格把关，执行数据化质检标准，并积极推行环保生产，助力可持续发展。同时，公司配备专业外贸团队，提供透明化生产跟进服务，支持线上线下查货，可灵活采用 FOB、OEM、ODM 等多种合作模式，确保沟通高效、合作省心。

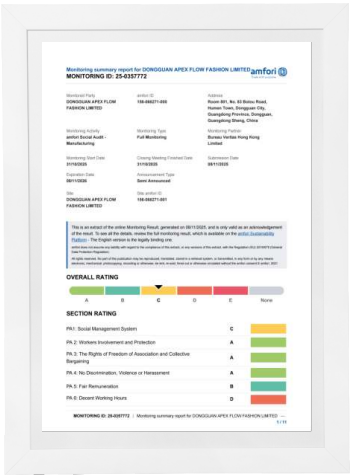

未来，世锦服饰将继续以优质产能、稳定品质与专业服务，携手全球品牌商与买家实现长期共赢。诚邀各界客户莅临考察洽谈，一同将时尚愿景转化为市场成果，共创全球商机。

The company's headquarters and production base are located in Humen, Dongguan, known as the "Famous Clothing Town of China". It is situated in the mature clothing industry cluster of the Pearl River Delta, adjacent to Guangzhou and Shenzhen, with convenient transportation and quick access to international ports and airports. Leveraging our unique geographical advantages, we can efficiently integrate high-quality fabrics, accessories, and design resources within a 50-kilometer radius, achieving efficient collaboration from raw materials to finished products, and providing stable and rapid response support to global customers.

Founded in 2018, our company has evolved into a comprehensive manufacturing enterprise specializing in various types of clothing. We offer a one-stop solution for accessories and packaging. With a comprehensive system encompassing development, sampling, production, and quality control, we are capable of achieving large-scale production utilizing modern equipment, achieving an annual output value exceeding 30 million US dollars. Additionally, we can flexibly undertake small-batch, multi-batch quick-response orders, accurately adapting to international fashion trends.

We adhere to quality as our core principle, establishing a comprehensive quality inspection system that rigorously controls every step from raw material entry to finished product delivery. We implement data-driven quality inspection standards and actively promote environmentally friendly production practices to facilitate sustainable development. Additionally, our company boasts a professional foreign trade team that provides transparent production follow-up services, supports online and offline product inspections, and offers a flexible range of cooperation models such as FOB, OEM, and ODM, ensuring efficient communication and hassle-free collaboration.

In the future, Shizhi Apparel will continue to collaborate with global brand owners and buyers to achieve long-term win-win cooperation through high-quality production capacity, stable quality, and professional services. We sincerely invite customers from all walks of life to visit and negotiate, and together turn fashion visions into market achievements, creating global business opportunities.

DEVELOPMENT HISTORY

发展历程

2016

初创启航 Startup Launch

东莞市世锦服饰有限公司正式成立，扎根东莞虎门服装产业带。

公司成立之初，以 30 人团队、1 条流水线起步，专注卫衣、T 恤，女装，高端礼服等针织梭织品类的源头生产，以扎实工艺和诚信服务，开启外贸服装制造之路。

Dongguan apex flow fashion limited has officially been established, taking root in the garment industry belt of Humen, Dongguan.

At the beginning of its establishment, the company started with a team of 30 people and one production line, focusing on the source production of knitted and woven products such as sweaters, t-shirts, women's clothing, and high-end dresses. With solid craftsmanship and honest service, it embarked on the road of foreign trade garment manufacturing.

2019

规模扩张 Scale expansion

完成产能升级，团队规模扩大至 80 人，新增 3 条专业卫衣 T 恤生产线。

搭建完整的打样、生产、品控体系，打通外贸全流程服务，成功开拓欧美、东南亚等海外市场，成为多家跨境品牌以及国内电商品牌的稳定供应商。

Completed production capacity upgrade, expanded team size to 80 people, and added 3 professional sweater and T-shirt production lines.

We have established a comprehensive system encompassing sample making, production, and quality control, enabling us to provide seamless services throughout the entire foreign trade process. This has enabled us to successfully tap into overseas markets such as Europe, America, and Southeast Asia, and become a stable supplier to multiple cross-border brands as well as domestic e-commerce brands.

2024

实力跃升 Strength leap

现代化厂房全面投产，员工人数突破 150 人，生产线增至 8 条，年产值超 3000 万美元。

深化柔性生产能力，兼顾大批量订单与小单快反需求，完善环保生产体系，通过多项国际品质认证，综合实力跻身虎门上游针织梭织服装工厂行列。

The modern factory has been fully operational, with the number of employees exceeding 150, the production lines increasing to 8, and the annual output value exceeding \$30 million.

Deepen flexible production capabilities, balance large-batch orders and small-batch quick response needs, improve the eco-friendly production system, and obtain multiple international quality certifications, positioning our comprehensive strength among the top knitted and woven garment factories in Humen.

2026

十年深耕 Ten years of dedicated cultivation

公司成立 10 周年，员工规模达 200 余人，拥有 10+ 条专业生产线，形成集研发、生产、外贸服务于一体的综合性制造基地。

持续深耕卫衣、T 恤，女装，高端礼服核心品类，以全链条自主把控、稳定交期和严苛品控，服务全球品牌客户，致力成为国际市场值得信赖的中国服装源头工厂。

On the 10th anniversary of the company's establishment, the staff size has reached over 200 people, with more than 10 professional production lines, forming a comprehensive manufacturing base integrating R&D, production, and foreign trade services.

We continue to deeply cultivate our core categories of sweaters, T-shirts, women's wear, and high-end dresses. With full-chain independent control, stable delivery schedules, and rigorous quality control, we serve global brand customers and strive to become a trusted Chinese clothing source factory in the international market.
